The mission of the Quad Cities Lodging Association (QCLA) is to promote Tourism in the Quad Cities by providing sustainable quality lodging and by promoting the Quad Cities as a destination that benefits travelers and the community. The QCLA also helps to provide financial assistance to people furthering their education in the hospitality industry through our scholarship fund. In addition, we help to provide a lobbying voice with the state and federal government.

Membership is open to all types of lodging businesses in the Quad Cities area, located in both Illinois and Iowa. The QCLA welcomes honorary members who interact with the lodging business; such as suppliers of goods and services, educators, convention and visitors bureaus, and government leaders.
